Tales and Traditions

Readings in Chinese Literature Series, Level 1

新編中文課外閱讀叢書

By Yun Xiao, Hui Xiao, Ying Wang

Ideal for: low-intermediate level students--high school and college.

Increase cultural fluency and prepare for AP* Chinese through this supplementary reader of level-appropriate folk tales, sayings from classical philosophers, excerpts from great works of literature, and more. In simplified and traditional characters with *pinyin* annotated version in the appendix.

Chinese for Tomorrow

A New Five-Skilled Approach

走向未來

By Wayne He, Dela Jiao, Qiuxia Shao, Christopher M. Livaccari

Ideal for: AP* preparation, high school and college.

Computers aren't the wave of the future; they're a fact of today—that's why this innovative new language course emphasizes "Computer Chinese" as both a language learning tool and a fifth language skill. Textbooks available in simplified or traditional characters; teacher's manuals in simplified; grammar books include both. Check out the series' online resource community!
